About the roles

Due to the continued expansion of our academy, we currently have 3 vacancies.

The first vacancy (the class teacher post) will be based in our academy and offers great opportunities to suitably qualified teachers who wish to develop their expertise in an environment of excellence.

Two of these vacancies will be based in our SCITT Programme (School Centred Initial Teacher Training). In our SCITT provision we offer teacher training delivered by outstanding practitioners from our partner schools in primary, secondary and special school settings and these roles will support the further development of the teaching school.

About the Academy

Greetland Academy functions as a National Support School with linking National Leader of Education and Specialist Leaders of Education as well as being a designated SCITT (AA Teamworks SCITT), jointly leading Teamworks teaching school alliance and being a MAT sponsor. By continuing to build on our successes we are proud to feature in the Sunday Times School Guide 2016 (ranked 51st in the top 250 state primary schools in England for our Key Stage 2 SATs results, 2013 – 2015). We offer a great working environment with a caring and accessible senior leadership team who are dedicated to our vision of success. Within our multi academy trust status we are able to offer maximal opportunities to further develop career pathways.

About You

To be successful in any of these roles you must be self-motivated with an open approach and a willingness to make a significant contribution to the academy's continuing improvement. In relation to teaching and learning roles in particular, you must have a good understanding of strategies for raising achievement and attainment, a working knowledge of current curriculum developments and a creative approach to learning.
